

SZL HOLDINGS

One Holding Company. Six Platforms.

A visual overview of the SZL ecosystem — what we build, why it exists, and how everything connects.

One architecture. Everything compounds.

SZL Holdings

Parent Company

Alloy

Intelligence & Orchestration Engine

Lyte

Business Observability

Vessels

Maritime Command

Aegis

Defense & AI Intelligence

Terra

Real Estate Intelligence

Carlota Jo

Premium Advisory

PRISM

Legal Matter Command

Alloy

The Intelligence & Orchestration Engine

Every platform in the SZL ecosystem runs through Alloy. Workflow orchestration, signal processing, multi-agent execution, and creative workflows — the systems backbone that makes the ecosystem more than a portfolio.

- Workflow Orchestration
- Signal Ingestion & Routing
- Multi-Agent Execution
- Creative Workflows
- Audit Trail & Policy Gates
- Cross-Platform Intelligence

Lyte

Business Observability Platform

Role-based visibility into risk, latency, ownership gaps, and workflow friction. Executive, operations, and delivery views — before problems hit execution.

Serves: Executives, Operations Leads, Delivery Managers

KPI Command Views	Revenue Health Signals
Risk Observability	Workflow Telemetry
Ownership Gap Detection	Role-Based Dashboards

Vessels

Maritime Command Platform

Fleet visibility, voyage performance, and operational exception management. Connects vessel movement to operational consequence and commercial outcome.

Serves: Fleet Operators, Maritime Logistics, Charterers

Fleet Tracking & Visibility	Voyage Analytics
Port Intelligence	Commercial Operations
Operational Exceptions	Performance Benchmarking

Aegis

Unified Defense & Intelligence Command

Consolidated security, managed operations, and AI intelligence. SOC command, XDR, adversary emulation, MSP operations, and agentic cortex — for operators who need everything in one place.

Serves: Security Teams, SOC Analysts, MSP Operators, CISOs

SOC & XDR Command	Adversary Emulation
Managed Operations	AI Intelligence Engine
MSP Client Management	Agentic Cortex

Purpose-built for their domains.

Terra

Real Estate Intelligence

Distress engine, deal pipeline, market intelligence, CRM, and brokerage-level visibility across NYC's five boroughs.

Carlota Jo

Premium Advisory

Estate management and residential operations for high-net-worth families. Discreet, white-glove service.

PRISM Counsel

Legal Matter Command

Structured intelligence for legal teams managing complex, multi-matter engagements. Clarity for counsel at scale.

Nothing competes. Everything compounds.

Structured

Every venture has a defined problem, a defined audience, and a defined role in the ecosystem.

Coherent

Shared infrastructure, shared design standards, shared operating philosophy across all platforms.

Compounding

Signals from every platform enrich the intelligence fabric. Each addition makes the whole more valuable.

Patient

Built for longevity, not the fastest possible exit. Durable value over short-term noise.

EXPLORE THE ECOSYSTEM

Structured ventures. Clear direction.

One parent company. One architecture. Six platforms built to compound.
